FINANCIAL POLICY

Starfire Dental |Mitchell Myers DMD

Thank you for choosing us to provide your dental care. We place a high priority on the dental health of our patients and our goal is for you to enjoy the benefits of a comfortable, functional and attractive smile. We've found that a clear understanding of our financial policy in advance of your dental care helps to relieve some of the anxiety associated with dental visits. Please read the following carefully and ask us any questions you might have. We will do our best to answer them for you.

Patients with Insurance:

It's important to remember that your insurance coverage is a contract between you and your insurance company. Benefits and coverage vary significantly from plan to plan. Please keep in mind that insurance is not designed to provide a 100% benefit, but rather is meant to assist you with your investment in dental care. The cost of treatment is your responsibility regardless of your insurance coverage.

As a courtesy to our patients, we are happy to submit claims to your insurance company. In order to do this, you must provide us with accurate and up-to-date insurance information. We will verify your coverage before treatment and we will ***estimate*** the portion insurance will cover and your co-payment, including deductibles. This co-payment is due on the day of treatment unless other arrangements have been made ahead of time. This amount will be an estimate only, so there may be an additional balance due after payment from your insurance company. You are responsible for any such remaining balance.

For your convenience, we accept cash, checks, Visa, MasterCard, Discover and American Express.

Patients without Insurance:

Payment is expected at the time of service unless *prior* financial arrangements have been made. As noted above, we accept cash, checks, Visa, MasterCard, Discover and American Express. We also accept Care Credit, which is an outside healthcare financing program that offers several payment plans upon approval.

If your total charges exceed $500, we may also offer financing arrangements. These arrangements must be made in advance of treatment being provided.

- You can elect to pay 50% of your bill on the day of service and the remaining 50% within 30 days. This requires the you to provide credit/debit card information to enable us to process the second payment. *Interest will not be assessed for this option.*
- You can elect to pay 1/3 of your treatment on the day of service, 1/3 in 30 days and the final 1/3 in 60 days. Interest of 1.5% per month (18% per year) will be assessed for this option.

- You can also elect to pay your balance in 6 monthly installments. An interest rate of 1.5% per month (18% per year) will be assessed. Payments will be accepted only by debit/credit cards or via electronic transfer of funds (ACH) from a checking/savings account

Statements will be sent monthly as a reminder. However, *it is your responsibility to plan ahead for debit/credit card transactions we process.* A late fee of $20.00 per occurrence will be assessed to your account if scheduled amounts are not paid by the due date.

Discounts:

- Cash Discount: We offer a 5% discount for payments you make by cash or check.
- Senior discount: We offer a 5% discount to our patients over 65.
- Military/Veterans Discount: We are pleased to honor those who have served our country with a 5% discount.

Returned Check Fees:

The fee for a returned check is $35.00 per occurrence. You will not be allowed to write another check until the full amount (the original amount plus the $35.00 fee) is paid. Another incident may result in losing the privilege of paying by check again.

Minor Patients:

If you have a child under 18, please plan to be present at his or her appointment. If you are unable to attend, please call our office prior to the visit to take care of any necessary financial arrangements. In the case of divorced parents, please remember that the parent bringing the minor child is responsible for payment of the child's treatment, regardless of any custodial decrees.

Missed Appointments:

We understand that sometimes it is necessary to change your appointment. If you need to reschedule an appointment, please give us at least 48 hours advance notice. Missed appointments are costly for us all and may prevent us from assisting another guest. Please be aware that failed appointments, or those cancelled with less than 48 hours notice, may incur a $50.00 missed appointment fee.

I have read and understand the above conditions and agree to their content.
